

HARVEST ELEMENTARY SCHOOL

15TH ANNIVERSARY COMMEMORATIVE COURTYARD

To Celebrate Harvest's 15th Anniversary, the PTA will begin selling commemorative bricks. Each brick can be engraved with text within specific guidelines, and the donations we receive will directly benefit the school.

We are offering three sizes of bricks. The larger the brick, the more space you have for your text. Commemorate your kids or family name, leave a special message for Harvest staff, use your imagination!

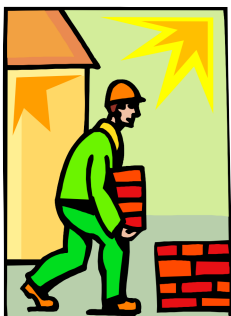

The sale will begin now through April 30th or until supplies are sold out. There is a very limited supply and once the space is gone, it is gone! So hurry and place your order today!
